With two spacious living areas and two kitchens, one wing offers a virtually self-contained option for family or guests.

The open plan living, dining and kitchen area is huge with large floor to ceiling panoramic windows providing exposure to captivating 360 degree water views while providing access via three sliding doors to a massive contemporary tiled deck on one side and beautiful timber deck with built-in, 7 seater spa over the dunes on the other. This breathtaking area provides tranquility and effortless entertaining all year round.
