

DA Approved 41 Lot Subdivision

APPROVED 41 LOT SUBDIVISION

Here is a great opportunity to get in on the present development boom happening in the Pimpama - Jacobs Well area.

This DA Approved 41 Lot Subdivision includes 11 lots over 700m² with an average lot size of 660m². This development is serviced with town water and sewage.

The Pimpama - Jacobs Well area is earmarked for extended future growth with 7 new State Schools planned for the area and the opening of Kings Christian College in Pimpama earlier this year.

This area is overdue for new development and has had an under supply of blocks of land for quite some time.
